ORDER:

In G.O.No.Ms. 265, Public Health, dated 28-1-1948, the Government approved the proposal of the Director of Public Health, that all men second-class vaccinators who could benefit by the training and could pass the Sanitary Inspector's examination might be given a chance to qualify themselves as Sanitary Inspectors. The Director of Public Health was informed that he might grant exemption from educational qualification wherever necessary and conduct an intensive course of training for six months specially for them; and was asked to submit to Government necessary proposals in the matter.

2. The Director of Public Health has now submitted proposals on the above subject and the Government pass the following orders:-

1) An intensive course of training for a period of six months from October 1948 will be instituted in the Stanley Medical College, Madras. The number of II Class Vaccinators to be selected for admission to the course should be limited to 50. The Professor of Hygiene in the Stanley Medical College, one of the Assistant Professors of Physiology of the Madras Medical College and the Sanitary Engineering Instructor attached to the Madras Medical College, will give the necessary course of lectures. The subject of water-supply, waste disposal and buildings will be dealt with in detail by the Sanitary Engineering Instructor instead of by both the Professor of Hygiene and the Sanitary Engineering Instructor. Practical training in the field will be arranged in the Poonamalle Health Unit, the Chingleput Municipality and the Chingleput District Board. The candidates admitted to the course will be exempted from undergoing the practical course in vaccination as they are already Second Class Vaccinators. The fee for this intensive course will be fixed at Rs.50/- per candidate.

2) The Lecturers and others will be granted remuneration at the following rates. The expenditure will be met from out of the amount of fees collected from the 50 students which will come to about Rs.2,500/-:

	Rs.
(1) Professor of Hygiene, Stanley Medical College at Rs.100 p.m. for six months.	600
(ii) Assistant Professor of Physiology or Assistant in charge of Collection work in the Physiology Department, Stanley Medical College, Madras Medical College at Rs.75/- p.m. for three months.	225
(iii) Sanitary Engineering Instructor attached to Madras Medical College at Rs.25/- p.m. for 6 months.	150
(iv) District Health Officer, Chingleput.	150
(v) Health Officer in charge of the Health Unit, Poonamalle.	75
(vi) Assistant Director, King Institute (Vaccination)	75
(vii) Municipal Health Officer, Chingleput.	75
Total ..	<u>1350</u>

3) A separate examination will be arranged for these candidates in April 1949 by the Board of Examiners for the Sanitary Inspectors Certificate Examination. Candidates for the course will be selected from those who apply for the same. They will be considered to be on leave to which they are eligible. Such of those who do not possess the minimum educational qualification will be exempted by the Director of Public Health, if he is satisfied that they are fit to undergo the course.
